This ticket allows you to go on several circuits available, enabling you to explore the city of Porto getting on and getting off the bus as and when you please at the stops. You can therefore create a route tailored to your interests. You will also have an 'open train ticket' available allowing you to make the return trip to Régua by train at the most convenient time for you.

B. You can opt to have a tourist taxi that will be at your service from 9.30 am. This will give you the chance to explore the city at your own pace, visiting the places that most interest you. At a time chosen by you, this taxi will leave you at the train station, ready for your return journey to Régua, with an 'open train ticket', as in option A.

C. Same programme as Option B, but with the return to Régua in the same taxi that was at your service during the day.
